

Marengo Dial-a-Ride

Serving the City of Marengo, Marengo Township and Riley Township

The Marengo Dial-a-Ride is an innovative alternate form of public transportation. This non-fixed route (paratransit) service utilizes small buses to provide pre-arranged trips to and from specific locations within the Dial-a-Ride service area (see below) to individuals deemed eligible based on local requirements, usually elderly and/or disabled. While many Dial-a-Rides in other communities are only open to senior citizens and people with disabilities, the Marengo Dial-a-Ride is open to the general public thanks to the generous support of the City of Marengo, Marengo Township and Riley Township.
