

Get the Competitive Edge

Illinois workNet™ is a free resource that provides career, education and work support information for all Illinois residents and businesses. Illinois workNet™ connects individuals looking for employment with employers looking for workers through the convenience of a user-friendly website or onsite locations throughout the state. The program aims to cultivate a well-trained workforce by providing valuable resources for the state's workforce, creating a solid foundation for a thriving 21st century economy.

"Through Illinois workNet™, I was able to contact my local Business Services Team. As a result of this connection, I attended a Job Fair at my local workNet Career Center and I ultimately hired an individual I met at the event. Illinois workNet is definitely a resource I plan to continue utilizing in the future!"

From helping people to find a job, to providing information about quality job skills training and access to education programs, Illinois workNet™ will connect people to information and services that provide the skills to create a first-class Illinois workforce. The foundation of any business is a strong, skilled workforce. Illinois workNet™ is designed to help people succeed, businesses thrive and the state's economy flourish by providing resources to compete in today's market.

Illinois workNet™ Connects in Communities!

The State of Illinois, along with local community organizations, public libraries, colleges and universities, employers, employment resource centers and others are working together to get the word out to individuals and employers to take advantage of Illinois workNet's™ free and valuable services.
